## NEW POSITION POSTING TITLE I MATH TEACHER

**Position:** Title I Mathematics Teacher

**Hours:** Part Time School Year Position

**Qualifications:** Current Michigan Elementary Teaching Certificate with endorsements in Math instruction, is preferred. The successful candidate must demonstrate the knowledge, abilities and attitudes to effectively teach Elementary students of varying academic abilities.

### Essential Job Functions:

Will provide additional interventions (in the areas of whole numbers, fractions, decimals, problem solving)

Will work directly with identified at-risk students in K-5 during Academy Block (Tier II) time in the core areas and when requested (by the Title I Director) and necessary a portion of any core curricular area in which students are identified as at risk

Will administer and use progress-monitoring data to determine interventions' effectiveness and to make modifications as needed (bi-weekly). It will be the responsibility of the Title I teacher to enter this information into Delta Math and make a copy for the 3-ring intervention binder.

Will be responsible for collaborating with grade level teachers on research-based interventions to address the student's difficulties (this is what needs to be done during preparation time).

Will develop lesson plans for at-risk students.

Will develop Tier II interventions and share these with the general education teacher.

Will collaborate and participate with the Title I Director (i.e. collection of school-wide rubric information, family and parent activities, Title I Advisory Committee, Family Night Programs)

Will attend and participate in general education parent teacher conferences concerning student academic progress as well as request conferences with individual parents during parent teacher conferences.
